THE LAST 10 NIGHTS

The last 10 nights begin at sunset on Saturday 27 February. Seek Laylatul Qadr in the odd nights — 21, 23, 25, 27 and 29. Nights in this planner are numbered, never dated, so your worship is safe whichever day the moon is sighted.

EXPECTED DATES — PLEASE NOTE

Ramadan is expected to begin on 8 February 2027 and Eid al-Fitr to fall on 9 or 10 March 2027, subject to the sighting of the moon. Please confirm with your local mosque. An undated edition of this planner is included free in your download.

USE IT YOUR WAY

Print or Tablet — Both Work

This planner was made for paper — but it works beautifully on a tablet too. Choose your way:

PRINT IT

1. Download your PDF files
2. Print at 100% — choose 'Actual Size', never 'Fit to page'
3. A4 and US Letter sizes are both included
4. Save ink: a B&W ink-friendly edition is included too
5. Kids crafts & envelopes: card stock (160gsm+) works best

USE ON A TABLET

iPad (GoodNotes / Notability)

- Save the PDF in the Files app
- Import it into the app
- Write on it with Apple Pencil

Android (Xodo / Notewise)

- Open the PDF in the app
- Annotate with finger or stylus

Honest note: pages have no tap-links inside — use the app's page thumbnails to jump between days.

ON YOUR PHONE

Keep the PDF in your phone's files for quick glances on the go — the daily dua, the calendar and the free-tools links are always one tap away.

Family tip: many families print the Kids Corner and envelopes, and keep the grown-up pages on a tablet — the best of both worlds.
